

Some will have seen James Ross's comprehensive list of 1st class cricketers that have been at Repton. Few schools do better, probably only Eton and Harrow, but facts about Harrow seem a bit sketchy. Oundle for instance have never had an England player while Repton has had 10 and one South African Test player. Shrewsbury's only England player is James Taylor, formerly playing for Nottinghamshire. There are 153 now listed. James Ross has unearthed a comprehensive list of players who turned out for a side called the Europeans and with the help of Cricket Archive the list continues to grow. Repton is 9th in the all-time list of Public School 1st class cricketers (Eton have 723, but more than 300 of those had made their debuts by 1863!) and 2nd equal in the Test player list. Harrow equaled them when Gary Ballance got called up to play for England in the summer of 2014.

### SOUTH AFRICA V ENGLAND

### JOHANNESBURG 1895-96

South Africa 2nd Innings

G H Shepstone                      Ct Fry    B Lohmann                      2

- 1 G H Shepstone debut for South Africa
- 2 G H Shepstone and C B Fry were both in Forman's House (The Cross)
- 3 Fry was four years senior to Shepstone. Did he catch his fag?
- 4 Is this the only instance where a dismissal has occurred between two players on opposite sides at the same school and same house at the same time?
